Dear Winnifred,

DEC 23 2024

Thank you so very much for the gift I received on December 19, 2024. You will sponsor students to participate in Pennsylvania Free Enterprise Week (PFEW) 2025 and offset minor expenses for the Speaker Series workforce development program. This vital education is needed more than ever, and because of you, our students will gain skills and knowledge that prepare them for the challenges and opportunities of the 21st century workforce. Thank you once again.

We will be pleased to recognize *Athena Institute for Women's Wellness, Inc.* in the 2025 PFEW Program Brochure given to all PFEW participants and the Foundation's 2025 Impact Report circulated throughout the state as our annual report and primary marketing piece.

Your most generous gift is so much more than a monetary contribution -- it is a powerful investment in our young people and our collective future. You are giving our students a world-class education, but more importantly, you are restoring a pride for business and the American free enterprise system and instilling renewed confidence, passion and commitment that will drive them to success.

Winnifred, you truly are passionate about our mission, and we invite you or a colleague to consider volunteering for or visiting PFEW this summer. There's nothing better than seeing your gift change lives and futures first-hand. We promise you will be changed as well. Thank you once again for believing in our mission and investing in our young people. You are creating tomorrow's leaders today, and we are so very grateful.

Sincerely,

Karen M. Musante
